Our School Mission

Christ the King Prep is a Catholic, coeducational, college preparatory school that seeks to provide a quality education for young men and women with limited financial resources. The school welcomes students from all faiths and cultural heritages and emphasizes a challenging core curriculum and corporate internship program. The school is sponsored by the Archdiocese of Newark and endorsed by the Sisters of Charity of St. Elizabeth and the Marist Brothers of the Schools. The innovative corporate work-study program enables students to finance the majority of the cost of their education through their own efforts while gaining significant learning and motivational benefits. The school seeks to instill in our students the desire to become life long learners and the social consciousness to take their place in the civic, spiritual and cultural life of their community. **Based on this mission, in what ways do you think the student is prepared to be a contributing member of the school community.**

(OVER)

In what ways is the student not prepared or likely to struggle before becoming a contributing member of the school?
